Zenke, Inc.  
La Crescent, MN

## Project Timeline

The contractor has completed underground utility work and has placed aggregate base on Walnut Street. Removals have started on Grove Street from the Prairie Street intersection to Burr Oak Street. Also, underground utility work has begun at the intersection of Prairie and Grove Street.

Please remember this schedule is subject to change and weather dependent.

## Temporary Mailboxes

Temporary mailboxes will be installed for the next phase. Affected residents will be informed prior to removal of existing mailboxes. A note will be placed in your existing mailbox informing you of the transition.

## Contacts

**Drew Weber will be on site throughout the summer and will serve as the primary contact during construction. Drew can be reached at 507-469-0306 or [drew.weber@bolton-menk.com](mailto:drew.weber@bolton-menk.com).**

Additional information about the project can be found on the project website: <https://www.bolton-menk.com/rushford2019>
