Resident Project Representative
Cell: (507) 696-4859
E-mail: Steve.Vrieze@bolton-menk.com

Overview

The City of Wabasha is undertaking a construction project to improve the pavement on 10th Street West, Arch Ave, Alleghany Ave, 8th Street West, Franklin Avenue, Jefferson Avenue, 12th Street East, Market Street East, Milligan Avenue, 9th Street East, Pierce Avenue, Augustin Avenue, Rustic Lane, and River Drive South.

The project will be very similar to the mill and overlay projects completed in 2014 and 2016 on the west side of town. The proposed improvements involve grinding up the existing asphalt and then placing a new layer of asphalt. The project will also involve replacement of existing asphalt curb, and localized spot repair of concrete curb.

Project Update

The contractor is planning to pave the remaining streets Wednesday, September 11th through Saturday, September 14th (weather dependent). Please be aware that during paving operations street traffic may be limited to one-way traffic and driveways may be inaccessible for a short period of time.

Underground utility work along Alleghany Avenue, Hiawatha Drive W, and 8th Street in the Dollar General and Dick's Fresh Market area is ongoing.

Contacts

Informational newsletters, such as this one, will be mailed to you periodically throughout the project. If you have questions or concerns at any time, please contact Brian Malm at 507-381-7511, or brian.malm@bolton-menk.com.
